INSTRUCTION SHEET FOR GRADUATE APPLICATION

DEGREE-SEEKING STUDENT

A degree seeking student is one who is applying for admission to the Graduate School for the purpose of obtaining a graduate degree. If you are not in this category, refer to the instruction sheet for non-degree seeking students.

Carefully read the entire instruction sheet before completing the application. Answer all questions on the application.

The Kansas Board of Regents has approved a non-refundable \$35 graduate application fee for Masters and Specialist in Education degree-seeking students. Please send a check with this application made payable to Pittsburg State University. We must receive your application fee before we can process your application.

The Application for Admission will not be complete until all official transcripts are on file and the application fee is paid. The graduate application fee is non-refundable and supporting application materials are non-returnable. Students must submit an official transcript from each institution attended.

Transcripts are considered official only if they are received directly from the institution in a sealed envelope. Students who received their undergraduate degree at Pittsburg State University do not need to submit a copy of their PSU undergraduate transcript. Students who enroll in graduate courses without having been admitted to graduate study by a department risk the possibility that their course work may not be applicable toward a degree.
